

## SCHEDULING CONFIRMATION:

You will receive a confirmation message that the inspection has been scheduled successfully.

Email notifications will be sent regarding any status changes or if the inspection must be rescheduled

Buckingham Township is now accepting online requests for inspections on issued building and zoning permits.

Inspections can be scheduled up to 30 days in advance.

During busier construction seasons, scheduling in advance will help ensure your inspection is on our schedule.

Inspection requests can be submitted online 24 hours a day.

“Next Day” inspection requests must still be submitted before 2:30PM the prior day.
