Please also note:

**Prepayment:** Prior to granting a request for access in accordance with this Act, the Township may require a requester to prepay an estimate of the fees authorized hereunder if the fees required to fulfill the request are expected to exceed $100.

Once the request is fulfilled and prepared for release, the Township may require payment for the cost of the records prior to releasing the records.

**Statutory Fees:** If a separate statute authorizes the Township to charge a set amount for a certain type of record, the Township may charge no more than that statutory amount. For example, the Police Department has the authority to charge up to $15.00 per report for providing a copy of a vehicle accident report. 75 Pa.C.S. §3751 (b)(2).

**Inspection of Redacted Records:** If a requester wishes to inspect rather than receive a copy of a record and the record contains both public and non-public information, the Township shall redact the non-public information. The Township may not charge the requester for the redaction. However, the Township may charge for the copies it must make of the redacted material in order for the requester to view the public record. The fee structure outlined above will apply. If, after inspecting the records, the requester chooses to obtain the copies, no additional fee will be charged.

**Fee Limitations:** Except as otherwise provided by statute as noted above, no other fees may be imposed unless the Township necessarily incurs costs for complying with the request, and such fees must be reasonable. No fee may be imposed for the Township’s review of a record to determine whether the record is a public record, legislative record or financial record subject to access in accordance with the Right-To-Know Act. No fee may be charged for searching for or retrieval of
documents. The Township may not charge staff time or salary for complying with a Right-To-Know request.
