RESOLUTION No. 2387

A RESOLUTION OF THE BOARD OF SUPERVISORS
OF BUCKINGHAM TOWNSHIP
REPLACING RESOLUTION NO. 2359
ESTABLISHING A FEE SCHEDULE OF
SUBDIVISION AND LAND DEVELOPMENT,
ZONING, BUILDING AND OTHER FEES

Whereas, the Township of Buckingham has determined it necessary to collect certain fees for directly rendered services, and

Whereas such fees offset the expenses incurred by the Township relating to such services, and

Whereas such fees must stay current to effectively cover the related expenses, and

Whereas the Buckingham Township Board of Supervisors annually reviews and amends a schedule related to such fees,

Therefore, be it Resolved, by the Buckingham Township Board of Supervisors that the following schedule sets forth the fees for such services:

**Subdivision and Land Development and Related Filing Fees and Escrows**

*Note: Should Township deplete the escrow sum by payment to its professional consultants, developer must immediately deposit sums to bring the escrow back to its original amount. Unpaid escrow balances will be charged interest at a rate of 1.25% per month.*

Construction Water in all Water Rate Districts - $100.00/per building permit.

**PENALTIES ON DELINQUENT BALANCES** - Payments exceeding thirty (30) days from original billing date will be assessed a 5% penalty plus 6% per annum interest charge. Any accounts that are delinquent two (2) billing periods from original date will prompt further action: certified mailing fees and if legal action, $50.00 administration charge plus reimbursable District Court costs and attorney’s fees will be added to the outstanding balance; if discontinuance of service, $100.00 fee plus the cost of laboratory testing, if necessary, will be required (in cash, money order, or certified check) for reissuance of service. There will a service charge of $45.00 for liens and $15.00 for lien removals. On delinquent accounts, there will be a $50 dollar fee for POSTING OF SHUT-OFF notices.

Meter Testing: If a meter is tested at the customers written request and the meter is found to be accurate (recording less than 104% of actual), the fee will be the Township’s cost plus 15%. If the meter is inaccurate, then the cost of the meter test will be borne by the Township. See Resolution 1318, Article 307.
### SECTION XIII - SEWER FEES

#### TAP-IN / CONNECTION FEE SCHEDULE

Each owner of each premise connecting to the sewer system shall pay the following charges. Tapping fees are for treatment capacity, conveyance and disposal. Inspection fees are assessed per inspection, pass or fail. $1,000.00 performance escrow is required for all connections, prior to the approval of the EDU.

HIGH STRENGTH SURCHARGE (BOD > 350mg/l)
Payment to cover added cost of high strength waste shall be based on the percentage over current allowable strengths and concentrations of these pollutants using the following formula (BOD/350 is never less than 1):

\[
\text{tested } BOD \times \frac{9004}{350} \times \text{total gallons for the metered period}
\]

where BOD is the total 5 day 20°C Biochemical Oxygen Demand as sampled, measured and tested according to most recent adopted edition of Standard Methods for the Examination of Water and Wastewater or other method, approved by Pennsylvania DEP and/or United States EPA. Customer pays laboratory costs for monthly BOD Total Suspended Solids, oil and grease monitoring.
HIGH STRENGTH FATS, OIL and GREASE SURCHARGE (FOG >120 mg/l)
 Payment to cover added cost of high strength waste shall be based on the percentage over current allowable strengths and concentrations of these pollutants using the following formula (FOG/120 is never less than 1):

\[
\text{Tested FOG} \times \frac{x \times 0.004 \times \text{total gallons for the metered period}}{120 \text{ mg/l}}
\]

where FOG is the Total Oil and Grease as sampled, measured and tested according to most recent adopted edition of Standard Methods for the Examination of Water and Wastewater. Customer pays laboratory costs for monthly BOD, oil and grease monitoring.

Where both high strength BOD and FOG charges are applied, the bill for services will be calculated:

\[
(BOD/350 + (FOG/120 - 1.00)) \times 0.004/\text{gallon} \times \# \text{ of gallons in billing period}
\]

**PENALTIES ON DELINQUENT BALANCES** - Payments exceeding thirty (30) days from original billing date will be assessed a 5% penalty plus 6% per annum interest charge. Any accounts that are delinquent two (2) billing periods from original date will prompt further action: certified mailing fees and if legal action, $50.00 administration charges plus reimbursable District Court costs and attorney’s fees will be added to the outstanding balances. A $50.00 fee will be assessed; if discontinuance of service where water service is provided by another entity, and a $50.00 fee will be required (in cash, money order, or certified check) for re-issuance of service. If service is shut off to a property with public sewer only, the cost to restore service will be the actual excavation and restoration cost plus 15%. There will be a service charge of $45.00 for liens and $15.00 for lien removals.
