

**GENERAL INSTRUCTIONS FOR  
ZONING HEARING BOARD APPLICATIONS  
OF BUCKINGHAM TOWNSHIP**

- 1) All information on application must be furnished with supporting documents in order for the Application to be considered complete. In addition, the Applicant must provide a copy of deed, lease, agreement of sale, or other document, which establishes the authority of the applicant to seek relief from the Zoning Hearing Board. **All applicants must make an appointment to submit and review the application with the Zoning Officer.**
- 2) Legal advertising of the hearing scheduled by the Board to consider your application will be based exclusively upon the information contained in the application. Any omissions or inaccuracies will be the sole responsibility of the applicant.
- 3) Applicant must be present at the hearing in order to answer questions Board members may have concerning the Application. Otherwise the Application will be dismissed unless postponed by the Zoning Hearing Board upon cause shown or upon its own motion.
- 4) At all Hearings, proof of title to the property affected must be available to the Zoning Hearing Board, whether the applicant's interest is as owner, tenant, purchaser, or in other capacity.
- 5) Indicate under paragraph one (1) of the application, the nature of your appeal or request to the Board. For each block checked, provide all information requested in applicable sections 12 through 16.
- 6) **The Following must accompany all applications in order for the Application to be considered complete:**
  - a) A filing fee and applicable escrow fee in accordance with fee schedule in effect at the time of application (see Exhibit "A").
  - b) Twelve (12) copies of the completed application form (15 copies for curative amendment) *do not include the 3 instruction pages – only the 7 application form pages need to be copied*, plus 12 copies of all required documents, including proof of title, plot plan drawn to scale, showing real estate affected, indicating the location and size of all improvements now erected and the location and size of all proposed improvements to be erected thereon, and an aerial photograph of the parcel (i.e. Google Earth or other available source.) Signed and sealed plans are strongly encouraged when pursuing dimension variances.

- 7) The Zoning Hearing Board has the following powers:
- a) To hear and decide appeals from a decision or determination of any administrative official in the enforcement of the Zoning Ordinance and amendments thereto. Such appeals must be made within 30 days after the date of the decision.
  - b) To grant, upon application in specific cases, Special Exceptions to the terms of the Zoning Ordinance and amendments thereto, where such a Special Exception is authorized by the Zoning Ordinance for the district within which the subject premises lies; where the use and/or premise conform to the standards and criteria set forth by the Zoning Ordinance as prerequisites for the grant of such Special Exception; and where public interest will not be unduly injured by the grant of such Special Exception. The burden of proof shall be upon the applicant to show that the Special Exception requested is one authorized by the Zoning Ordinance for the subject premises and proposed use. The burden of proving that the grant of such Special Exception would be contrary to the public interest shall be upon those opposing the grant of such a Special Exception.
  - c) To authorize, upon appeal in specific cases such Variance from the terms of the Zoning Ordinance and amendments thereto as will not be contrary to the public interest. The Board may only grant such a Variance where, owing to special conditions, a literal enforcement of the Zoning Ordinance will result in unnecessary hardship so that the Ordinance will be observed and substantial justice done. The burden of proof of the “unnecessary hardship” as defined by law shall rest on the applicant. The circumstances must be unique and applicable to the applicant’s particular property and no other. The possibility of applicant’s earning a greater financial return if a variance were granted does not in itself constitute sufficient reason for such a variance.
- 8) All meetings of the Zoning Hearing Board are open to the public.
- 9) No decision by the Zoning Hearing Board relieves any applicant from the responsibility of obtaining any required permits in the matter prescribed by the Zoning Ordinance(s).
- 10) The following is a list of fees for which the applicant will be responsible, in accordance with the fee schedule in effect at the time of application:
- a) Filing Fee.
  - b) Continuance Fees: 25% of original fee and costs of posting and notices.
