Website - [www.buckinghampa.org](http://www.buckinghampa.org)

## Driveway: New / Expansion Requirements

- Complete application, property owner's signature required.
- Complete Stormwater Management application and plan if applicable.
- Provide a plot plan showing the location and dimensions of the proposed driveway expansion.
  - All driveways shall be located at least five (5) feet from any side or rear property line. The curb cut or driveway width at the street line for single width driveways shall be no less than ten (10) feet or more than fourteen (14) feet.
  - All driveways shall be a minimum of ten (10) feet in width. All driveways shall be paved twenty-five (25) feet from the edge of the cart way using the following minimum standards: Coarse aggregate, Penn Dot #2A, having a compacted depth of six (6) inches and a bituminous wearing coarse, ID-2, to compacted depth of two (2) inches.
- Zoning fee is due at time of application, see fee schedule.
- Provide proof of Workers Compensation with Buckingham Township as certificate holder or complete our Workers Compensation exemption form, notary required. Permits will not be issued without this paperwork.

Note: Approved permits must have a final Zoning inspection.
