The Application appeals a Notice of Violation dated May 19, 2025 which alleges that a use is being conducted on the property without proper approvals and in violation of a prior Zoning Hearing Board Decision; and requests a variance from Section 802.A of the Zoning Ordinance to permit a C-4 Museum use, where such use is not permitted in the R-1 Residential Zoning District.

TMP 06-018-033

The Applicant challenges the validity of the provisions of Sections 502.A.1 and 502.A.2 of the Zoning Ordinance asserting that they unduly and unconstitutionally restrict the development of single-family detached dwellings and the achievable density on lands zoned AG-1.
